

**I was
worried
about AI.**

**None of
this is
surprising
to God.**

**God is the
god of
language.**

- (1) Creation: a speech event**
- (2) Humans: imago dei**
- (3) Christ: logos**

**Are we
capitulating
to culture?**

”Be in, not of”

**No. AI is not a
cultural construct. It
is a super-global
technology.**

**We are all in
it together.**

- **AI is here.**
- **It's going to change everything.**
- **Don't worry.**
- **Lean into the curve.**
- **Learn.**
- **Pray.**
- **Trust God.**
