PRESENTS

AI & YOU: PRESERVING HUMANITY IN THE AGE OF AI

WEBINAR: MON, SEPT 22 @ 5:30 PM (PT)

Concerned about authenticity, creativity, and human ingenuity in an AI-crazed world?

Wondering how AI tools are reshaping reading, writing, and critical thinking?

Join us for a lively conversation on how we can preserve our humanity in the midst of rapid technological change.

Featuring:

- **Dr. Michael Colson** – Professor of English, Diablo Valley College (San Ramon)
- **Micah Voraritskul** – Founder of VerifiedHuman™, author of *Human Is the New Vinyl*
- **Dr. J. Aaron Simmons** – Professor of Philosophy, Furman University

Don't miss this chance to explore the future of education, creativity, and human identity in the age of AI.
